Dear David

**FREEDOM OF INFORMATION REQUEST REFERENCE NO:
2007/050109**

You asked in your E-Mail of 24 August 2007, In relation to this FOIA request: and my response of response dated 25 July:

Q.1. You mention a letter from Jonathan Russell dated 15 April 2005. I am not aware of having received that letter and I wonder if you could send this letter to me again. Electronically, if possible

Q.2. We asked for copies of all information etc provided to the "EPS Review Team." This was supposed to refer to the HSE team that was undertaking the review. You seem, however to have interpreted this to mean 'Greenstreet Berman'; and

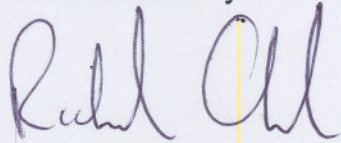

Could you confirm that either (a) the answer you have given also refers to the HSE Officials involved in the review, or (b) respond to the question assuming we meant HSE officials involved in reviewing EPS?

In respect of question 1, I forwarded a copy of Jonathan Russell's letter of 15 April 2005, to you under cover of my E-Mail of 8th September 2007.

In relation to the second part of question 2, the HSE 'team' involved in the Enforcement Policy Statement evaluation (ie, people in the Enforcement Policy Unit and to some extent, Enforcement StEP) was not specifically provided with information relating to rates of investigation

and prosecution levels following deaths. So the short answer to this follow-up question is "There was none".

Yours sincerely
